Tuesday 16th November 2010**

1

Present: C. Fenwick (Chair), R.Houlston (RH), E.Smith (ES), P Davison (PD)

In Attendance: B.Ward (clerk), Cllr P Featherstone HDC

1. Apologies:, Cllr C Patmore

2. Minutes of the Previous Meeting: Approved and signed as a true record.

3. Matters Arising:

3.1 Passing Places: There has been no action to date and no indication of a start date..

3.2 Condition of roads: Following correspondence from the Parish Council, N Yorks Highways have responded in a somewhat negative fashion that takes the matter no further forward. In light of the frustrations felt by the Council and members of the community RH will contact David Bow at NYCC and the Clerk will write to Cllr G Dadd who is responsible for Highways.

3.3 Painting of Railings: As the railings on East View are not yet painted it is considered better to leave the work until the better weather in spring.

3.4 Remedial Work to MUGA: Much of this is now complete but a small amount still awaits attention. No further payment will be made until all remedial work is complete.

3.5 Recreation Area Safety Inspection: This has now been completed and there is no remedial action necessary

3.6 Concessionary Fares Scheme: The Council have been advised that there is to be no change to the current scheme.

4. Matters Arising Between Meetings.

Mrs A Ovenston has compiled details of all the burials in the cemetery using the Parish records as a base. She wishes to publish the detail on the History Society website. The Parish Council agreed to this request.

BRIDGING THE GAP - MORE FUN & GAMES

In the summer of 2009, the opening of the Multi-Use Games Area heralded a breakthrough in provision for sport and recreation in Husthwaite. Although this facility has been well used by young people and adults alike, nonetheless, the Parish Council and Recreation Area Committee have been conscious of a gap in providing for younger children. Thankfully, this has now been addressed.

Fortunately, Saturday 6th November was a bright sunny day - so appropriate for the official opening of the Young Children's Play Area by Mike Horrocks, manager of the LEADER Programme, North Yorks Moors Coast & Hills, which has provided the majority of the funding (£29,543) for this much-needed amenity. Financial support and advice have also been provided by both North Yorkshire County Council and Hambleton District Council, the latter being represented at the opening by Councillor & Mrs. Percy Featherstone and Lisa Wilson (Recreation & Leisure).

At the official opening, thanks were expressed to Broadacres Housing Association who funded the purchase of a seat and litter bins, Beckwith Trust for funding towards the new fence, two village families who each kindly donated a scat and the Parish Council who also contributed financial support. In all, this second phase of the development, for which the contractor was Playscheme of Elvington, represents an investment of around £43,000.

Prior to 'Cutting the Tape', Mike Horrocks paid tribute to what he perceived to be a lively and forward-looking spirit in Husthwaite. As well as making reference to the Recreation Area, he also commended the Orchard Project and encouraged the community to continue moving forward, enriching the quality of life for everyone.

This special occasion was also enhanced by light refreshments, which included delicious home-made biscuits, provided by members of the Parish and Methodist Churches of the village.

The highlight of the morning was the moment when the gate was officially opened and children charged into the area to explore the new facilities. These include a mix of traditional play items suitable for swinging, sliding, rocking and rotating, together with a tunnel, large smooth boulders, stepping trails and slopes which promote imaginative play. An impact-absorbing rubber surface made from recycled tyres should help to minimise the effects of the inevitable trips and falls.

The attendance of around 60 children and adults gave a clear indication of how the community values this new asset.

Looking ahead, the Recreation Area Committee hopes to bridge another gap next year by providing an Adventure Play Area & Fitness Trail suitable for older children and adults. A bid for around £35,000 is currently being evaluated under the 'Changing Spaces - Community Spaces' initiative. We are hoping for good news by Christmas so that the work on this final phase can begin in the Spring of 2011.
